

AVANTI SPORTS LLC

"Professional Racquet Services"

Racquet Recycle Program

Time to upgrade your racquet? Does your racquet not fit your new improved play style? RECYCLE IT! Avanti Sports is now buying and selling used racquets. Any customer can receive store credit for their used racquet, and its value will be determined by the age, condition, and popularity of the racquet. Used racquets will be sold As/Is in the store, with an optional re-string and re-grip at half price.

Racquets not deemed sellable can be accepted for donation to local high schools and charities. A \$10 discount on a new racquet will be awarded for the donation of an approved racquet.

Reduce, Reuse, Recycle!

Maximize our resources and save some money with the
Racquet Recycle Program!

Contact the Avanti Sports Management if you have any questions.
